2010 Graduation Information Packet

General Information

Where & when will the commencement ceremony be held?

The Graduating Class of 2010 will receive their diplomas on Saturday, June 12, 2010 at 2:00 p.m. Graduation Ceremonies will be held at the Sumner Performing Arts Center, 1707 Main Street, Sumner, WA.

When is the rehearsal?

Graduation rehearsal will begin **promptly at 10:00 a.m. the day of graduation-** on **Saturday, June 12, 2010**, at the Performing Arts Center, located at 1707 Main Street, Sumner. **It is required that the graduate, and at least one parent/guardian, attend the rehearsal and stay until rehearsal ends.**

Do I have to be a WHO member to participate?

No. Non-members are welcome to participate in the ceremony. There is an additional cost for those that are not WHO members.

Is the diploma state-certified?

The diploma is not state-certified. WHO is not an accrediting agency, and the WHO diploma is not an accredited diploma. The diploma is issued from the parent to the student.

We can't attend the ceremony - can we purchase a diploma from WHO?

The diplomas are not available independent of the ceremony. If you are interested only in the diploma, consider one of the many options online. Use the term "homeschooling diploma" in your search.

What is required for the ceremony?

A completed registration form & registration fee, the **80-word statement** and **cap and gown** are required for the ceremony.

What is the final deadline for registration?

The final deadline for registration is April 27, 2010.

All registrations must be postmarked by April 27. There will be no exceptions.

Please make careful note of all deadlines.

What is the 80-word statement?

As the parents and graduate meet at the center of the stage for the presentation of the diploma, the WHO presenters read a statement, written by the parents, about their student. This brief (**80 words or less**) typed statement may make reference to the student's accomplishments, personal qualities, future plans, or anything else the parent would like to say to honor their graduate.

Any statements over the limit will be, at WHO's discretion, edited down to the appropriate length. For sample statements, see the WHO graduation website.

Please include the student's name as you want it read on the 80-word statement form. Also include the names of the parents/guardians who will present the graduate their diploma. The statement must be typed, using a font size of 14, double-spaced, and be no more than 80 words. Because these statements are used directly by our readers, **handwritten statements cannot be accepted.** Please provide phonetic assistance for more difficult name pronunciations on the form.

What is the Student Display?

As part of the Graduating Class of 2010, we invite each graduate to provide a personal presentation about their homeschooling experience. It may be presented in the following forms:

- A self-standing display board
- A graduation scrapbook

The display could showcase the student's accomplishments, talents, interests, and family photos. It should be brought to rehearsal on June 12, 2010. These will be set-up by you and displayed in the lobby area near photography.

Who can accompany the student on stage for the presentation of their diploma?

The immediate family may join the graduate on stage. For this event, the immediate family is defined as parents/guardians and siblings.

Who can sit in the "Reserved Seating" section?

This area is reserved for those who will be going up on stage to present the graduate their diploma. The **reserved seating** area is exclusively for those who are joining the graduate on stage, and meet the above criteria. If you do not wish to have the graduate's siblings on stage, they are welcome to sit in the non-reserved section with other family members. All persons who sit in the reserved section will be going up on stage in order to simplify the ceremony.

Who is the keynote speaker for the ceremony?

This will be announced on the WHO website.

Ceremony Information

WHO intends to offer a memorable ceremony to honor the graduates and their families. Therefore, we ask that graduates not add to, or alter, their cap and gown in any way that would distract from the uniform appearance of all graduates (*with the exception of honor cords*). This can be a dynamic process, so we ask that graduates follow directions, and be courteous during the rehearsal and ceremony.
